Re: Dependent Children Coverage

Effective July 1, 2011, pursuant to the Patient Protection and Affordable Care Act, you will be eligible to cover your dependent children up to age 26 in the medical plan, regardless of their student status.

Pike is required to offer a special enrollment period to allow eligible dependent children whose coverage ended, or was previously denied due to their age and student status. You may request enrollment for such children for up to 30 days from the date of this notice. Enrollment will be effective July 1, 2011.

Please notice: enrollment of these dependents is not automatic. In order to enroll your eligible dependent children, you must contact the Benefits Department at 866-621-2504 and request documentation be mailed to you in order to enroll them.
